# November Newsletter

Our new solid-state transmitter was delivered on October 9th. We of course are very anxious to get it installed and running to provide you the listener with the most reliable, best quality signal possible. Unfortunately, due to other commitments at other radio stations by the installation engineer, work has not yet begun as we were led to believe it would be, but hopefully should start any day. When work does begin it will be a several week process. I pray and hope that by the next newsletter I can report to you that it's installed and transmitting. The total cost installed for this new transmitter will be \$50,000 and as to date we have received \$7,140 from 44 partners.

**THANK YOU FOR THE GIFT OF SOUTHERN GOSPEL CHRISTIAN RADIO** to this area. Your gift towards the purchase of this new transmitter will continue to give for years to come. For over 17 years the old transmitter

broadcast the GOOD NEWS OF JESUS CHRIST and we believe that countless lives have been touched, encouraged, strengthened and made better by it. The old transmitter is at the end of it's life and your gift, be it big or small, will ensure the continuation of this great work. Deuteronomy 25:4 states, "Thou shalt not muzzle the ox when he treadeth out the corn." What that means is, that whatever is doing the work must be fed in order for the work to continue. KJIR stands for KING JESUS IS RETURNING, Jesus Himself stated in Luke 18:8 "...Nevertheless when the Son of man cometh, shall He find faith on the earth?" When He gets here we want to be found trusting in HIM and continuing the work He has entrusted to us. Perhaps you are a business owner and would like to give a one time gift towards the purchase of our new transmitter, please keep in mind that all donations to KJIR are tax deductible. The regular monthly support that we receive is just as important and we want to thank all of you regular monthly gifts as well. Last month I put

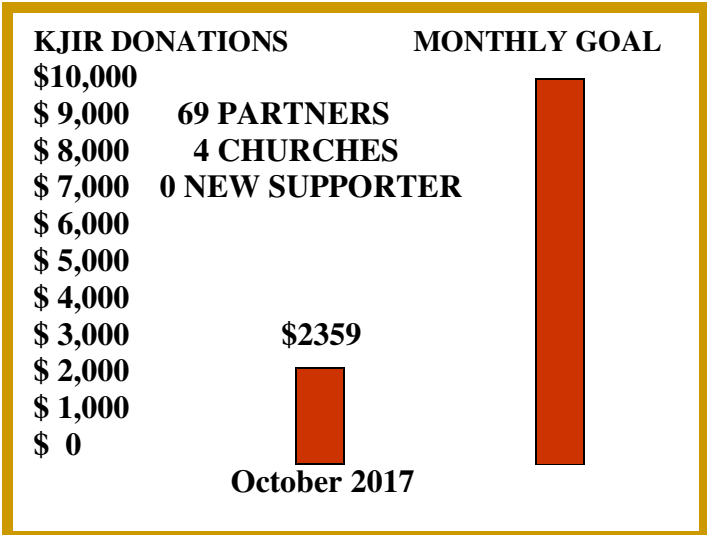

of you for your regular monthly gifts as well. Last month, I put out a call for churches to come on as underwriters of KJIR and we would like to thank Salem Baptist Church over by Center, Missouri for responding to the call. If your church would like to answer the call and support as an underwriter let us know. For a \$50 donation each month, which is a special low rate for churches only, we will produce a radio spot for your church and air it once everyday. It's a great way to get the word out about your church and at the same time support Christian radio. We also are looking for more businesses to become underwriters here at KJIR. While underwriting is not advertising, it can provide your business with some of the same benefits plus some that commercial advertising can't offer. Research indicates that Christian radio is an excellent public relations tool.

Listeners

**Continuing...**

have a positive image of companies that support Christian radio and report their purchasing decisions are positively influenced by such support. Isn't that awesome! It says a lot about a business that will support Christian radio. So, give us a call at 217-221-9410 and we will get you on the air as a supporter of Christian radio. November is the month of Thanksgiving when thoughts of gratitude seem so prevalent. We here at KJIR thank the LORD all year long for you, our listeners, supporters, underwriters and those who pray for us. Jesus uses you to bless us and WE THANK YOU! 1 Thessalonians 5:18 says, "In every thing GIVE THANKS: for this is the will of GOD in CHRIST JESUS concerning you." GOD BLESS YOU AND HAVE A HAPPY THANKSGIVING!
