October 2013

In **Ephesians 2:2** Paul calls satan the prince of the power of the air. (Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience.) Now we know that Christ spoiled principalities and powers, He (Christ) made a show of them openly, triumphing over them. (Colossians 2:15) Wherever Christ is made real in the earth, there is authority over the prince of the air. Have you ever walked into a home or place of business and felt the confusion and chaos? The atmosphere was so thick you could cut it with a knife. The prince of the power of the air was not under the authority of Christ because Christ was not made real through those in that place. James said where envying and strife is, there is confusion and every evil work. One of the names of Christ is the Prince of Peace. Now let me ask you this.

Have you walked into a house or home and felt the peace of God? Yes, that is because Christ was there and the evil one was under authority in that place. Many times the house would be filled with sweet music about a living Christ. Praise and songs of worship can change the atmosphere in any place. Songs glorifying the Lord telling what great things He has done. I don't believe that I can over emphasize the importance of good gospel music being played in and around our lives. There is a war going on in the heavens and it is a battle for your mind. **Philippians 4:8** Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report: if there be any virtue, and if there be any praise, think on these things.

Confusion in a life comes from to many voices telling the hearer

what to do. Have you heard the old saying to many chiefs and not enough Indians? That just means all those voices trying to be the boss over your thoughts. If you allow every voice in your life to influence your thoughts and your actions, you will be a confused and frustrated mess. David said, "Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer.

I would like you to consider this thought about the prince of the power of the air. There are 14,728 radio stations in the United States. This includes all AM and FM commercial and non-commercial stations. For the most part, these stations are secular or non-Christian. About 2,400 stations are listed as Christian or have Christian content on them. Now we are

just talking radio, not TV stations or the millions of Internet sites which include millions of porno sites that can be gotten onto through wireless devices. Much of this can be seen or heard in and through your cell phone. All of this demonic activity going on in the air is to influence every person possible that have opened themselves up to the work of satan. Now the thought I would like you to consider is, how important is Christian radio in and over an area in this country? If satan is the prince of the power of the air and he can run havoc over people when not brought under the authority of Christ, isn't the influence of Christian radio; with good gospel music and true gospel preaching worth supporting? The battle is for the minds of the people. If you don't believe that, just watch the news. Everywhere you look, someone has lost the battle and death and violence follow. Peter said, "Gird up the loins of you mind." Paul said, "Bring into captivity every thought to the obedience of Christ." You might ask how can so little Christian influence make a difference and my answer would be; just go to the Bible and see how God used a little to accomplish a lot. When things look the worst, God works the Best! I read in

I Corinthians that God hath chosen the foolish things of the world to confound the wise, and God hath chosen the weak things of the world to confound the things which are mighty and base things of the world, and things which are despised, hath God chosen, yea and things which are not, to bring to nought things that are, that no flesh should glory in His presence.

You make a great difference when you support this radio station with your prayers and financial support. The music and the message are all about Christ making an impact when ever and wherever it is heard.

Will you consider this Christian Radio Station today as we move toward the end of this year?

Thank you and may the Lord keep you and your family in the days ahead.

In Christ,

Pastor Ken Geisendorfer

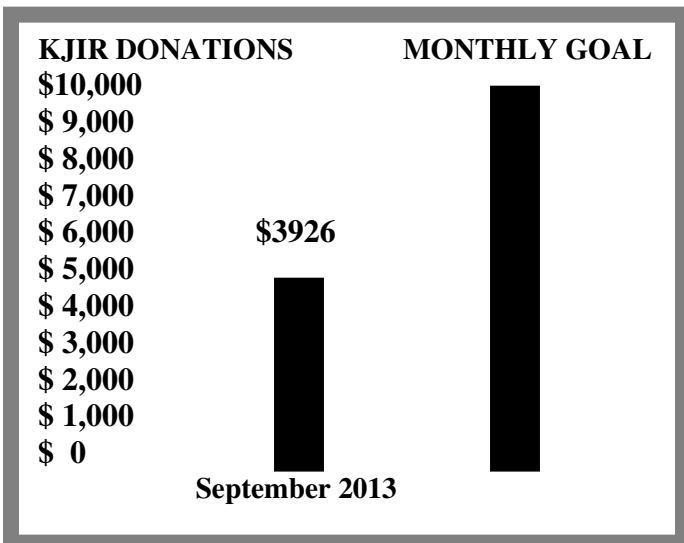

KJIR's Need For The Month

We had to replace the On Air computer and the Production computer. They are both over 10 years old and the On Air computer has been running for 10 years – 24 hours a day playing KJIR's programming. This computer has run over 87,000 hours and had to be replaced. The cost is \$3,000 for both of them. Can you help with a special gift this month?

Words of the wise...Holy Spirit.....

The Holy Spirit's presence with the Church is better than the continued physical presence of the Lord Jesus would have been. For in the first place, it is an internal and not an external presence. Further, he is omnipresent, not limited, as the visible person of Christ, to one place, but equally accessible to all God's people wherever they may be, and at all times. Moreover, the mission of the Spirit is to act as the Executive of the divine plan of redemption, and the time has now come when this stage of the work must follow the personal ministry and accomplished sacrifice of Jesus Himself.
