October Newsletter

HERE'S THE SCOOP! Last month I reported to you that we expected the new transmitter around the 2nd week of September and then to begin installation. Unfortunately our new solid-state transmitter was being shipped to from a location in Miami, Florida. Shipping was delayed we believe because of Hurricane Irma. We finally got word that the transmitter was to be shipped on or around September 25th. As of the time I am writing this we have not yet received it but expect it any day now. Because of the delay in shipping and conflicting schedules work on installation of the new transmitter will be moved back till the end of October. In the meantime please pray that the old transmitter holds out till then. Over the course of the past few weeks we have had some minor issues with it forcing us off the air overnight one time and then to lower our power output for a short period when we came back on the

air. Many listeners were affected and couldn't pick up our signal but Thanks Be To Our LORD we are back up with our power output and all of you should be receiving our signal now. At the time of this letter we have had 30 partners send in donations for the new transmitter totaling \$5,305.00. THANK YOU! The cost for the new transmitter installed will be about \$50,000 so we do have a ways to go to reach that amount. We are proceeding like the old song goes "One Day At A Time, Sweet Jesus". Faith keeps walking. We have the Great Commission from Jesus, **Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world.** Amen.

(Matthew 28:19-20)

This Great Commission falls on all who call upon the Name Of JESUS. It is our responsibility to make known the Gospel of JESUS CHRIST. KJIR Radio is a tool that operates 24

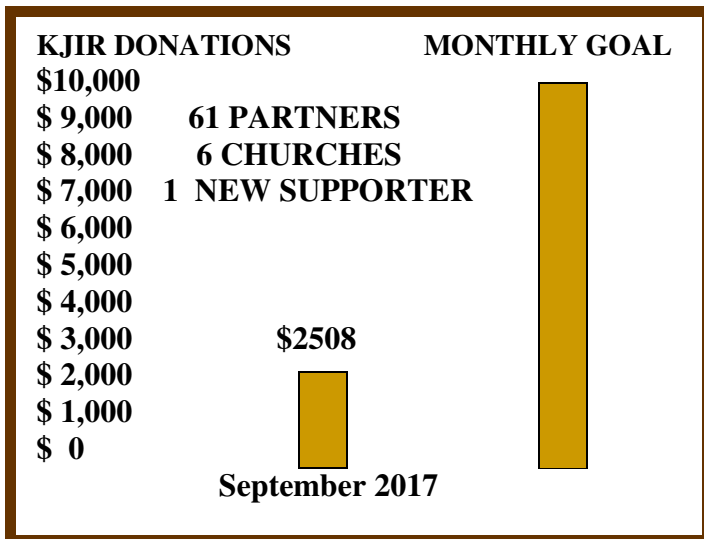

known the Gospel of JESUS CHRIST. KJIR Radio is a tool that operates 24 hours a day to accomplish the task of spreading the GOOD NEWS of JESUS. Every song we play over the air carries the message of JESUS. Songs of deliverance, songs of hope, songs of joy, songs of truth, all CHRIST centered. A TOOL for THE CHURCH. We are not in competition with the church, we are here for THE CHURCH as a tool. Tool simply defined is: a device that aids in accomplishing a task, a means to an end. Ask any carpenter, mechanic, or construction worker and they will agree the right tool makes all the difference in accomplishing the task. **I want to reach out to all the churches in our listening area, KJIR is a great local missions outreach tool.** The mission of The Church is to "Teach All Nations" that includes this nation; America

where we live, in our neighborhoods and our communities. Most Churches support missionaries in far away places, and we should. But, what about the local community? Or even the local body of Christ? Church members who work and live right here. It's great to attend Church service, to sing with the saints, to pray together, and to hear the Word Of GOD preached. KJIR is not a substitution for the church service but it's there when we need it ministering CHRIST. KJIR continues when the church service is over. On your way to work, at the dinner table, or late night as you are about to fall asleep, KJIR is still proclaiming the Gospel Message all the time until the next church service. Available to those in the hospitals, nursing homes, prisons, KJIR is a tool for The Church. To take advantage of this great tool your church can just donate or become an underwriter. KJIR offers to churches only an underwriting package for a donation of \$50 each month we play one underwriting spot a day , everyday acknowledging your church as an underwriter. These spots include your location and service times. KJIR currently has only 6 churches as underwriters and last month we had another 6 churches who sent in donations, that's only 12 churches. I want everyone reading this newsletter to go to their Pastor, Church Leader, Deacon, or whoever and say, **“We need to support KJIR Radio because they are helping us with The Great Commission!”** We need more churches to support KJIR so that we can be there for you. Thank you all for your support and remember...
