The New Transmitter is on it's way!

Last month we informed you that earlier this year our transmitter was damaged during a severe thunderstorm. This transmitter has been in use by us for over 17 years. We were able to do a temporary fix on it to get back on the air, but to completely fix it would be a substantial investment. Instead of dumping a bunch of money in an old outdated transmitter that requires much maintenance, we have decided to purchase a new solid-state system. We ordered the new transmitter from Harris Corp. Quincy, IL. and expect delivery very soon. We are looking to begin installation by the 2nd week of September. The price of the new transmitter is \$40,000 with installation costing around \$10,000 putting the total cost at \$50,000. An initial response to that information may be "WOW THAT'S A LOT OF MONEY!" It is a lot of money but when you

consider what it's being used for we think it's money well spent. KJIR is not just a radio station; it's a LOCAL MINISTRY OUTREACH. Think about it, this new transmitter (just like the old one) will be broadcasting Christian programming 24 hours a day 7 days a week, 365 days a year – locally! Making our world a better place to live! You can't put a price on something like that! We live in a day and an age where it seems that society is moving farther and farther from the Christian morality that made America so great. In the name of tolerance and political correctness the mainstream media has been working overtime to portray Biblical Christianity in a bad light, and if they can't destroy it; they will do their best to redefine it. We must at all cost maintain a proper Christian influence as the BIBLE describes Christianity to be. KJIR is always working to maintain that influence. We read in Jude 1:3,
Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to

write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. The phrase "earnestly contend for" means "to struggle for". I don't know about you, but I'm not ready to give up on America. I was born and raised in America, I'm an American and I believe in everything the King James Bible says! I Believe where JESUS said, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.** (John 14:6) That's the influence that we must maintain. Every song, every message, and every word that is transmitted into the airwaves by KJIR carries that influence or we don't broadcast it. We can be heard in the hospitals, the nursing homes, the prisons, in trucks and automobiles, in any house or apartment, at any time of the day or night KJIR brings that Christian influence. With the purchase of this new

transmitter we are looking at maintaining and providing a good Christian influence for years to come. When you tune in to 91.7 FM you will hear GOD Honoring, family friendly Southern Gospel, Bluegrass Gospel, and Christian Country Music. It's all about JESUS on this radio station. I've heard countless testimonies of people who were encouraged and blessed when they needed it the most while listening to KJIR. Perhaps you can remember a time when you heard the right song at the right moment while listening and it made all the difference in the world. You can't put a price on that. We are confident that GOD will provide the funds to pay for this new

transmitter. At the time that I'm writing this update 17 supporters have responded by sending in gifts totaling \$3,845 to help purchase this new piece of equipment. **Thank you very much. Your gift will keep on giving for years to come.** Please continue to give as before but if you feel led to give towards the purchase of our new transmitter we ask that your gift would be in addition to your normal giving and specify that it is for the new transmitter. Perhaps your church is looking to give to local missions? KJIR would be a great local missions outreach. Thank you for your support and your prayers. Together we can make things better, and remember **King JESUS Is Returning God Bless You!**
