August 2018

It is hard to believe August is here already. School is just around the corner. Some may be trying to squeeze in a few days of vacation before summers end. This has been a very busy summer for all of us and we would like to thank all of our faithful supporters and underwriters for diligently giving to this ministry so that KJIR 91.7 FM "The Cross" can continue to operate. We would also like to mention the faithfulness of those supporters who have given multiple times towards helping us pay for our new transmitter. Thank you ALL! The new transmitter continues to perform efficiently and has proven to have been a blessing saving us in maintenance and operating cost. The full price for the transmitter is \$50,000 and at the time this is being written, we have received 126 donations totaling \$15,207. God's people support God's Work. THANK YOU, for continuing with us through the hectic days of summer.

The mission of the Church (God's people) is to flood the Earth with the knowledge of a living expression of Christ. The impact of the Church on the world should be, "What a living Christ! What a presence of Christ!" What a testimony of Christ! Jesus said, "And I, if I be lifted up from the earth, will draw all [men] unto me." It's not the gimmicks of religion that will spread the true Gospel. It's about Jesus living His Life through the Church. It's not about Christ coming along side of us to strengthen what man has put together, but it's about us (God's People) submitting to the authority of Christ in us. Victory is always the result of a complete and total surrender to the authority of Jesus. This is so clearly seen in the account of the taking of Jericho. In Joshua 5:13, we have Joshua surveying the situation overlooking the great walled city of Jericho. A seemingly impossible task is set before him, and yet the man of God knows that it is God's will that they

take that city; so he plans his strategy. This is a picture and a type of the Church, before her is the Great Commission; "**Go ye into all the world, and preach the gospel to every creature.**" Just like Joshua we survey the situation and plan our strategy, but the tragedy of that is if God is not in it, it will fail. As we read further in Joshua 5:13 we see, "**behold, there stood a man over against him with his sword drawn in his hand**", this is none other than the Lord Jesus Christ. Then we see, "**and Joshua went unto him, and said unto him, [Art] thou for us, or for our adversaries?**" Simply put Joshua is asking, "Have you come to help us?" The response from heaven is, "**Nay; but [as] captain of the host of the LORD am I now come.**" Christ doesn't come to enforce our plans; He comes to take over! The response of the Church must be the same as Joshua's if we want the walls to come down. "**And Joshua fell on his face to the earth, and did worship, and said unto him, What saith**

my lord unto his servant?" The Church must come back to the altar of self-sacrifice and submit itself to the authority of Christ. Galatians 2:20 says, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me". It's Christ living HIS LIFE through the Church that will reach this generation. At KJIR we are not into gimmicks, we simply want to present the truth through music & preaching that glorifies Jesus and edifies the Body of Christ. Your continued, steadfast support enables us to continue with this great task. God Bless You ALL!!

... Wise words from the author...

You can step out of His will and miss His blessings, but God will go on and bring about His end. God may have great blessings for you, a high calling for you, great possibilities for you, but be careful lest you forfeit and throw them away by refusing to walk in His highest will. Remember that you have within your heart something that came to you from God and is like God – the power to choose, the power to refuse, the throne of your will.
