January 2019

Welcome 2019! and all the opportunity that it brings. That's right, with each New Year comes new opportunities. Opportunity defined is a fit or convenient time; a time favorable for the purpose; suitable time combined with other favorable circumstances. In that definition comes the phrase, "A time favorable for the purpose." Here at KJIR we have one purpose and that's to lift up the name of JESUS. KJIR stands for King JESUS Is Returning. We are not here to promote ourselves, or any other agenda, except JESUS. **JESUS said, And I, if I be lifted up from the earth, will draw all men unto me. (John 12:32)** In the natural we know that JESUS is speaking of being crucified on the cross and therefore paying the price for our sins thus opening the door to Heaven for anyone who would receive HIM. But how can people receive HIM if they don't HIM or know about HIS LOVE for them? In Romans, Chapter 10 we read: **For whosoever shall call upon the name of the Lord shall be saved. How then shall**

they call on Him in whom they have not believed? and how shall they believe in Him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

(Romans 10:13-15) While KJIR is no substitute for the anointed preaching of the Word Of GOD, we do lift up the Name Of JESUS 24 hours a day, 7 days a week; that all would be drawn unto HIM. The opportunity we all have as Christians is to flood this dark world with HIS marvelous LIGHT.

Jesus saith unto them, My meat is to do the will of Him that sent me, and to finish His work. Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.

(John 4:34-35)

JESUS is saying the time or opportunity is NOW! The world has always needed JESUS, but look around (LIFT UP YOUR EYES), evil is multiplying at an amazing rate! It has been said that the only thing necessary for the triumph of evil is that good men do nothing. In other words if we as Christians ignore the opportunities placed before us in 2019 to proclaim and lift up the name of JESUS then evil progresses. We can curse the darkness all we want but it's better to turn on the LIGHT, and that LIGHT is JESUS! Every song, every program heard on KJIR carries with it the truth or the Light of The WORD OF GOD. Your continued and valued support of KJIR enables us to broadcast darkness conquering Truth. Every supporter, every church or business that underwrites,

KJIR is using the opportunity set before them to make this world a better place to live. We all have many different and varied opportunities to lift up the name of JESUS. KJIR is just one of them and we encourage all of you to pray and seek GOD for HIS leading for whatever direction HE may have you go. But rest assured that every time you mail in support to KJIR it's for one purpose, GOD Honoring Christian Radio that lifts up the Name Of JESUS. Southern Gospel, Bluegrass Gospel, and Christian Country music at it's best. We all have difficult times and it's during times like this people need to hear the message that this type of music brings. All made possible because somebody gave. A year ago we replaced our old transmitter with a brand new solid-state unit. The total cost installed was \$50,000. Many of you have responded numerous times with gifts to help pay for that new transmitter. As of December 31, 2018, we had received \$18,282 from 171 donations. THANK YOU for your generous giving! We still need \$31,718 to reach our goal and if you would like to take advantage of this opportunity to give towards the new transmitter, make sure you mark your gift for the new transmitter. All donations marked for the new transmitter go towards the new transmitter. Now we thank you for the opportunity to serve you and to be a blessing in 2019. May GOD BLESS YOU with a safe and prosperous NEW YEAR!

Michael Wortman,
Program Director ~ KJIR Radio
