We are living in historic times. Never before have we seen the removal of ordinary human activity as we have in the past few weeks. We have been asked by our government local, state, and federal to refrain from any unnecessary social contact, in an attempt to slow the coronavirus epidemic, so that lives may be saved before a cure can be found. All sports gatherings from school to professional have ceased. All education has been relegated to online only. No face to face, school classes or activities anywhere. Restaurants with the exception of drive thru and take home have been virtually shut down. All nonessential gathering places such as movie theaters, retail clothing stores and the like have been closed. Thousands who depended on these businesses for income are out of work and wondering where the next paycheck will come from. So great is the need that our government has authorized trillions of dollars to be paid out to our citizens to keep the economy going. Everything that can be shaken is being shaken. We read in the Holy Scriptures, **See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven:** Whose voice then shook the

April 2020

the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven. And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain. Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and Godly fear: For our God is a consuming fire.
(Heb 12:25-29)

I do not make light of all the suffering this pandemic has caused, neither do I blame GOD for it, but whatever the cause may be one thing is for sure; GOD has allowed it. Could it be that God Almighty is allowing us to see how easily that which occupies our lives other than HIM can be shaken and removed? If your faith is in anything other than JESUS CHRIST, it will fail you. My friends, the rapture of the church is approaching and now is not the time to shrink back from carrying out, the Great commission. JESUS Himself said, **And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity;**

the sea and the waves roaring; Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. And then shall they see the Son of man coming in a cloud with power and great glory. And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh. (Luke 21:25-28) Have you ever seen such distress of nations before? Fear is so rampant that we are willing to shut down a booming economy and risk everything that's been gained in the last four years to stop this deadly virus. This is where we are at and we the Church need to be a witnesses of The Living Christ more than ever. With the removing of all the extra activities let us now apply our-selves to that which cannot be shaken, our Faith. **If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth. For ye are**

the earth. For ye are dead, and your life is hid with Christ in God. When Christ, *who is our life*, shall appear, then shall ye also appear with Him in glory. (Col 3:1-4) I heard it said once that life is like the game of Monopoly, it doesn't matter how many properties you own, how many houses or hotels you possess, or how much money you have. When the game is over all that stuff goes back into the box, you can't take any of it with you. When we leave this world, we can't take any of this stuff with us, the only things we can take is family, friends, and whosoever The Lord has called us to witness to. Get on fire for The LORD! Revival begins with you on a personal level. You may not be able to attend church but you can have church in your home and bring your loved ones into the family of GOD! Get full of The Holy Ghost and let HIM be the Witness! In closing, please remember to pray and support KJIR Radio. We depend on your generous financial love gifts. In these coming days we need Christian Radio more than ever to keep the positive message of JESUS CHRIST flowing through the airwaves.

Thank You & GOD BLESS
Michael Wortman
