Happy New Year

Welcome to the year 2020! The ushering in of each New Year brings with it the reality of the passage of time. Time marches on, and we must march on with it. JESUS said, **I must work the works of Him that sent me, while it is day: the night cometh, when no man can work.** (John 9:4)

While there is still time we must continue to do what GOD has called us to do. Here is what GOD has called you to do with the time that you have left. JESUS said, **Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.**

(Matthew 5:14-16) CHRIST in you is that LIGHT and we are to let HIM shine! Wherever we go, whatever we do, with the time we have been given, people must see

JESUS! The night cometh, when no man can work, simply means while we have the opportunity we must let the LIGHT shine. It's GOD The Father, through GOD The Holy Spirit, displaying GOD The Son in a vessel called The Church. For it is God which worketh in you both to will and to do of His good pleasure. (Philippians 2:13) Regardless of what position you hold in life, whether housewife, farmer, factory worker, or retired senior, it's GOD working in you to reveal HIS SON, JESUS to a lost world. It's the way we live that reveals CHRIST. People like to make resolutions for the New Year and the best resolution any of us can make in this New Year is to be more like JESUS. For us here at KJIR it's to continue broadcasting music that glorifies JESUS. Your continual support ensures that the LIGHT shines. We would like to say thank you for all of the financial love gifts we received in 2019 from all of you. When you give you are entering into the work of letting the

Light of JESUS shine on the radio airwaves. This past year we surpassed the halfway mark on paying for the transmitter that was installed in December 2017, thank you. The total cost was \$50,000 and by the end of the 2019 we have received \$26,195. With your help, lets make 2020 Shine with the Light of JESUS. GOD BLESS YOU.
