JESUS CHRIST the same yesterday, and to day, and for ever. (Hebrews 13:8)

Thank GOD for The Gospel! With so much bad news isn't it great to know the GOOD NEWS of JESUS CHRIST. HE is the Rock of our Salvation. Now is the greatest opportunity for the Church to shine! JESUS said, **Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.**

(Matthew 5:14-16)

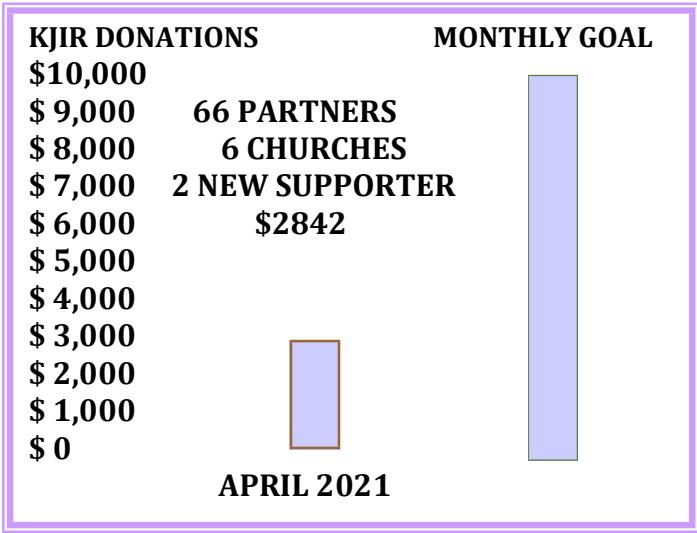

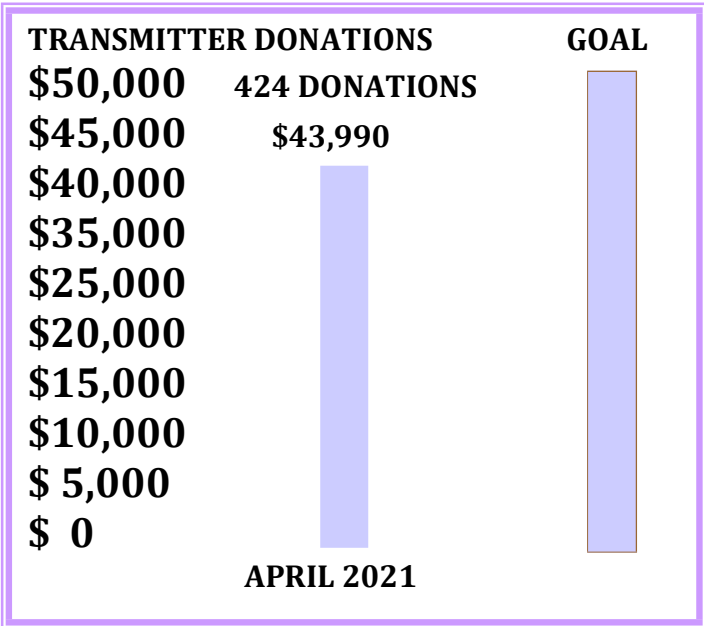

I believe we are on the eve of perhaps one of the greatest revivals in the history of mankind. Never before has darkness so covered the land as we see today. The rapture of the church is eminent and hell knows it, that's why we see all this violence,

hatred, and division in society. As all this happens, people see their great need for an unchanging, ever loving, life giving GOD. As the prodigal son realized the poor condition he was in as a result of riotous living, so will multitudes come to the same conclusion and see the light shining in the Father's House directing them Home! That's what we are doing when we are letting our light shine. We are showing them the way Home. **And that, knowing the time, that now it is high time to awake out of sleep: for now, is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light.**

(Romans 13:11-12)

Here the scripture admonishes all believers it's time to get up and put on the armour of light and shine! Here at KJIR our desire is to encourage, uplift, and shine right along with you. Thank you for your continued support and prayers to keep this Christian radio station on the air. We are getting very close to

reaching our goal of \$50,000 for the new transmitter! So far since December 2017, when it was installed, our partners have given \$43,985 towards the new transmitter! That leaves us with only needing \$6,015 to reach the payoff goal for that transmitter. Praise GOD and Thank You! On another note, we are still looking for more businesses to become underwriters here at KJIR. If you are a business owner or know one here's the scoop! Underwriting is the perfect way to show you care for the community and get your information to the public at the same time. For the underwriter, we produce and air informational radio spots about your business or church and the fact that you support Christian Radio. While underwriting is not advertising, it can provide your business or church with some of the same benefits plus some that commercial advertising can't offer. Listeners have a positive image of companies that support Christian radio. It says a lot about a business that will

support Christian radio, and as Christians we should patronize these businesses. So, give us a call at 217-221-9410 to begin Underwriting with KJIR Radio.

In closing, we want to encourage all of you with these words found in the book of Isaiah, **Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.** (Isaiah 41:10)

GOD BLESS,
Michael Wortman
