Happy New Year 2023

Welcome to the year 2023! The ushering in of each new year brings with it the reality of the passage of time. Time marches on, and we must march on with it. JESUS said, **I must work the works of him that sent me, while it is day: the night cometh, when no man can work. (John 9:4)** While there is still time, we must continue to do what GOD has called us to do. Here is what GOD has called you to do with the time that you have left. JESUS said, **Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. (Matthew 5:14-16)** CHRIST in you is that LIGHT and we are to let HIM shine! Wherever we go, whatever we do, with the time we have been given, people must see

JESUS! The night cometh, when no man can work, simply means while we have the opportunity, we must let the LIGHT shine. It's GOD The Father, through GOD The Holy Spirit, displaying GOD The Son in a vessel called The Church. For it is God which worketh in you both to will and to do of his good pleasure. **(Philippians 2:13)** Regardless of what position you hold in life, whether housewife, farmer, factory worker, or retired senior, it's GOD working in you to reveal HIS SON, JESUS to a lost world. It's the way we live that reveals CHRIST. People like to make resolutions for the new year and the best resolution any of us can make in this new year is to be more like JESUS. For us here at KJIR it's to continue broadcasting music that glorifies JESUS. Your continual support ensures that the LIGHT shines. We would like to say thank you for all of the financial love gifts we received in 2022 from all of you. When you give you are entering into the work of letting aives. With your help lets make

the Light of JESUS shine on the radio airwaves. With your help let's make 2023 Shine with the light of JESUS. GOD BLESS YOU.

GOD BLESS

We are not here to play, to
dream, to drift
We have hard work to do
and loads to lift
Shun not the struggle;
face it; Tis God's gift

Sunday

I Paused this Day;
The day of rest.
I considered All;
I am so Blessed.
His Peace was manifest to me;
Light was I, My spirit free.
Thank you, Lord, it is to be;
I with Thee and Thee with me.
