Thank You for supporting Christian Radio KJIR "The Cross".

Summertime is before us and we are entering into that time of year where thoughts turn to vacations, travel, outdoor projects and more. Wherever you go or whatever you do you can take us along with you and still keep the influence of good gospel programming in your lives. We web stream our broadcast, and almost everyone has a smart phone these days, so all you have to do is open your web browser and type in kjir.org and click on the flashing listen live link and then hit the play button and suddenly you are listening to our broadcast on your smart phone. Do the same process with your home computer, laptop, or even your smart TV. All it requires is internet access. Awhile back we received an email from a gentleman in Italy thanking us for our broadcast! I also spoke with a listener recently who lives in Maine that listens online. The support of our listeners and underwriters makes all this

possible. JESUS said, *Ye are the light of the world. A city that is set on an hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.* (Matthew 5:14-16)

The message of the Gospel Of JESUS CHRIST is to go forth into all the Earth. Your continued support through these summer months makes it a reality. THANK YOU! As always you can also find us on your radio at 91.7FM.

GOD BLESS

In Christ,

Michael Wortman
