April 2026

This month marks the 26th year of broadcasting for KJIR Radio! We would like to start by thanking all of our faithful supporters and underwriters for diligently giving to this ministry so that KJIR 91.7 FM "The Cross" can continue to operate. God's people support God's Work. THANK YOU, for continuing with us. The mission of the Church (God's people) is to flood the Earth with the knowledge of a living expression of Christ. The impact of the Church on the world should be, "What a living Christ! What a presence of Christ! What a testimony of Christ! Jesus said, **"And I, if I be lifted up from the earth, will draw all [men] unto me."** (John 12:32) It's not the gimmicks of religion that will spread the true Gospel. It's about Jesus living His Life through the Church. It's not about Christ coming along side of us to strengthen what man has put together, but it's about us (God's People) submitting to the

authority of Christ in us. Victory is always the result of a complete and total surrender to the authority of Jesus. This is so clearly seen in the account of the taking of Jericho. In Joshua 5:13, we have Joshua surveying the situation overlooking the great walled city of Jericho. A seemingly impossible task is set before him, and yet the man of God knows that it is God's will that they take that city; so he plans his strategy. This is a picture and a type of the Church, before her is the Great Commission; **"Go ye into all the world, and preach the gospel to every creature."** (Mark 16:15) Just like Joshua we survey the situation and plan our strategy, but the tragedy of that is if God is not in it, it will fail. As we read further in Joshua 5:13 we see, **"behold, there stood a man over against him with his sword drawn in his hand"**, this is none other than the Lord Jesus Christ. Then we see, **"and Joshua went unto him, and said unto him, [Art] thou for us, or for our adversaries?"** Simply put Joshua is asking, "Have you come to help us?" The response

from heaven is, **"Nay; but [as] captain of the host of the LORD am I now come."** Christ doesn't come to enforce our plans He comes to take over! The response of the Church must be the same as Joshua's if we want the walls to come down. **"And Joshua fell on his face to the earth, and did worship, and said unto him, What saith my lord unto his servant?"** The Church must come back to the altar of self-sacrifice and submit itself to the authority of Christ. **Galatians 2:20** says, **"I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me"**. This month we also celebrate THE RESURRECTION OF OUR LORD & SAVIOUR JESUS CHRIST! The GOOD NEWS is about GOD's SON. In HIS earthly life HE was born into the lineage of King David's family line, but HE was shown

to be the SON OF GOD when HE was raised from the dead by the POWER Of The HOLY SPIRIT. HE is JESUS CHRIST Our LORD. Through CHRIST GOD has given us (The Church) the awesome privilege to tell everybody everywhere what GOD has done for us! The Church must be the vehicle of HIS Expression. It's Christ living HIS LIFE through the Church that will reach this generation. At KJIR we are not into gimmicks, we simply want to present the truth through music & preaching that glorifies JESUS and edifies the Body of Christ. It's no small thing when you give financially or prayerfully to this radio station. KJIR goes into the hospitals, the prisons, the nursing homes, wherever there is a radio in the reach of our signal. Not only that but we web stream our Christian programming worldwide on the internet. Your continual support of KJIR will ensure that this living expression of GOD'S Saving GRACE continues its impact as GOD intended it to. Thank you, GOD BLESS YOU.

A Blessed Life

When life has lost its luster
 And it's filled with dull routine
 When you long to run away from it
 Seeking pastures new and green
 Remember, no one runs away from life
 Without finding when they do
 You can't escape the thoughts you think
 That are pressing down on you
 For though the scenery may be different
 It's the same old heart and mind
 And the same old restless longings
 That you tried to leave behind.
 So when your heart is heavy
 And your day is dull with care
 Instead of trying to escape
 Why not withdraw to prayer
 For in prayer there is renewal
 Of the spirit, mind and heart
 For everything is lifted up
 In which God has a part.
