A sign in front of a church read, "This Church will have a funeral or a revival." Desperate times call for desperate measures. Sometimes we have to change things up to get a different result. Albert Einstein's definition for insanity is; doing the same thing over and over again and expecting different results. TRUE revival is when men in the streets are afraid to open their mouths and utter godless words lest the judgments of God should fall; when sinners, are overawed by the Presence of God, tremble in the streets and cry for mercy; when, without special meetings and sensational adverting, the Holy Ghost sweeps across cities and towns in Supernatural Power and holds men in the grip of terrifying Conviction; when, every shop becomes a pulpit, every heart an altar, "every home a sanctuary, and people walk softly before God. To see true revival in our life, family, church, nation and world we will have to come to a place where the status quo is not enough." In **Jeremiah 4:3** it says, "For thus saith the Lord to the men of Judah and Jerusalem, Break up your fallow ground and sow not among thorns." The scripture tells us to break up our fallow ground. Break up the way you are coming to me and asking for revival.

Break up the dead way you are asking for a miracle in your family. Fallow ground is land left unseeded after plowing. After a long winter the field will have to be cultivated or broken up before it can be planted for a crop. If you want change that God brings, break up that fallow ground of your heart. The Bible tells us to ask for the old paths – Jeremiah 6:16 and also in **Proverbs 22:28**, "remove not the ancient landmark which thy fathers have set. And again in **Revelation 2:5** says, "Remember therefore from whence thou art fallen, and repent, and do the first works..." I believe the Lord is saying to us, if you want things to be different, change your approach; go back to the Word of God and let the Holy Spirit stir you in the inner man. Is your Christian walk stagnant, cold, indifferent or in a rut? A rut is a grave with both ends knocked out. Go back to the beginning where you fell in love with Jesus. When nothing mattered to you but pleasing Him. When spending time reading the Word of God and time on your knees was the high light of your day. When telling anyone about Christ and His goodness satisfied you. When at night in bed you would commune with the Lord and your love for Him had no revivals in your life.

"The Blessed Assurance of Christmas"

In the wondrous Christmas Story
 a troubled world can find
 Blessed reassurance
 and enduring peace of mind
 For though we grow discouraged
 in the world we're living in,
 There is a comfort just in knowing
 that God triumphed over sin
 By sending us His Only Son
 to live among us here
 So He might know and understand
 man's loneliness and fear
 And for our soul's salvation
 Christ was born and lived and died,
 For life became immortal
 when God's Son was crucified,
 And the Christ Child's *Resurrection*
 was God's way of telling men
 That in Christ we are Eternal
 and in Him we live again
 And to know that life is endless
 puts new purpose in our days
 And fills our hearts with joyous songs
 of hope and love and praise...
 For to know that through the Christ Child
 our spirits were redeemed
 And that God has stored up treasures
 beyond all that man has dreamed
 Is a promise that is priceless
 and it's ours if we but say
 That "in so far as in us lies"
 we will follow in His ways
 For God our Heavenly Father
 and Christ, His Only Son
 Will forgive us our transgressions
 and the misdeeds we have done
 If we but yield our hearts to God
 and ask but one reward
 "The joy of walking daily
 in the *Footsteps of The Lord.*"

Kenny continues... When tears of just knowing Him and His touch on your life would keep you up half the night loving on Jesus. Break up that fallow ground. Get out of that rut, break up those old thought patterns and move in faith according to the Word of God and see revival come to your life, family, church, nation and world. It is time for a real change. The change the Living God wants to bring to our lives.

May the Lord keep you and your family during this Christmas season and thank you for your prayers and support of this radio station.

In Christ,
Pastor Ken Geisendorfer
