We would like to start by thanking all of our faithful supporters and underwriters for diligently giving to this ministry so that KJIR 91.7 FM "The Cross" can continue to operate. God's people support God's Work. THANK YOU, for continuing with us. The mission of the Church (God's people) is to flood the Earth with the knowledge of a living expression of Christ. The impact of the Church on the world should be, "What a living Christ! What a presence of Christ! What a testimony of Christ! Jesus said, "And I, if I be lifted up from the earth, will draw all [men] unto me." It's not the gimmicks of religion that will spread the true Gospel. It's about Jesus living His Life through the Church. It's not about Christ coming along side of us to strengthen what man has put together, but it's about us (God's People) submitting to the authority of Christ in us. Victory is always the result of a complete and total surrender to the authority of Jesus. This is so clearly seen in the account of the taking of Jericho. In Joshua 5:13, we have Joshua surveying the situation overlooking the great walled city of Jericho. A seemingly impossible task is set before him, and yet the man of God knows that it is God's will that they take that city; so he plans his strategy. This is a picture and a type of the Church, before her is the Great Commission; "Go ye into all the world, and preach the gospel to every creature."

Just like Joshua we survey the situation and plan our strategy, but the tragedy of that is if God is not in it, it will fail. As we read further in Joshua 5:13 we see, "**behold, there stood a man over against him with his sword drawn in his hand**", this is none other than the Lord Jesus Christ. Then we see, "**and Joshua went unto him, and said unto him, [Art] thou for us, or for our adversaries?**" Simply put Joshua is asking, "Have you come to help us?" The response from heaven is, "**Nay; but [as] captain of the host of the LORD am I now come.**" Christ doesn't come to enforce our plans He comes to take over! The response of the Church must be the same as Joshua's if we want the walls to come down. "**And Joshua fell on his face to the earth, and did worship, and said unto him, What saith my lord unto his servant?**" The Church must come back to the altar of self-sacrifice and submit itself to the authority of Christ. Galatians 2:20 says, "**I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me**". It's Christ living HIS LIFE through the Church that will reach this generation. At KJIR we are not into gimmicks, we simply want to present the truth through music & preaching that glorifies Jesus and edifies the Body of Christ. Your continued, steadfast support enables us to continue with this great task. GOD BLESS YOU.

As of December 1, 2009, Believer's Broadcasting has been granted a construction permit to build a radio station in Troy, MO. Please pray that God would give us wisdom and the finances to build this brand new station that would reach into the St. Louis area. We are excited about what the Lord is doing and are walking it out in faith knowing that we are in the will of God. If you want to give toward the new station over and above your regular giving, please let us know by marking the gift, Troy radio station. Thank you for your prayers and support of this ministry.

And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweetsmelling savour.
