**Acts 1:8** - But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea and in Samaria, and unto the uttermost part of the earth.

What does it mean to be a witness? In the verse we just read, the word witness in the *Greek* means *record*. Let me explain what I believe this word means to us the true Church. If you and I were standing outside of a grocery store in Quincy, IL and a car came speeding by us and hit a parked car and drove off while we were standing there watching, we would be a witness to the account. When the police would come, they would take our record of the hit and run. I might say it was a black Pontiac 2 door, Missouri license and a woman driving with long hair. You might say it was a dark blue Chevy 2 door with Iowa license and a man was driving with long hair. Now, we are witnesses to the hit and run but our accounts are different. Let's just say, while all of this was happening, there was a college student with a video camera taping all of what was going on. The police would ask the young college student if he caught any of the accident on film and the student said yes. The police would take the tape and watch what happened. The videotape is a perfect *record* because it is a duplicate of what really took place. All though you and I were witnesses, the true witness would be the videotape. The tape is a copy of the event. The scripture in **Acts 1:8** says only after the Holy Ghost has come, can we be a witness. The Holy Spirit is the only true witness because He brings Christ to us to be Christ through us. The Holy Spirit is just like the one that ascended. The Holy Spirit has come to duplicate, He that is seated at the right hand of the Father. This duplication is the true church; everything else is just rules of religion and traditions of men. Too many times the Church has been a misrepresentation of Christ because she has given what she thought she saw and all along the Holy Ghost is here to make Christ alive in her. Many Christians look for a personality to represent Christ but God never looks for personalities. He looks for persons and gives them the personality of Christ by the Holy Spirit. That personality will be love, joy, peace, long-suffering, gentleness, goodness, faith, meekness and temperance; this is the personality of Christ. The world is looking for answers and if we the Church are not Christ to them, then we are no better than the Buddhist, Hindu or any other false religion on this planet. To be filled with the Holy Ghost is to make Christ alive in the earth.

Our prayer for you is that you are filled with all the fullness of the Holy Spirit. Thank you for your prayers and support of this ministry. May the Lord keep you and your family in this late hour.

In Christ,  
Pastor Ken Geisendorfer

*What Is Love?*

What is love?  
No words can define it,  
It's something so great  
Only God could design it...  
Wonder of wonders,  
Beyond man's conception,  
And only in God  
Can love find true perfection,  
For love is enduring  
And patient and kind,  
It judges all things  
With the heart not the mind,  
And love can transform  
The most commonplace  
Into beauty and splendor  
And sweetness and grace...  
For love is unselfish,  
Giving more than it takes,  
And no matter what happens  
Love never forsakes,  
It's faithful and trusting  
And always believing,  
Guileless and honest  
And never deceiving...  
Yes, love is beyond  
What man is immortal  
And God's gift is divine!
