KJIR - King Jesus Is Returning! Let's not get **desensitized** to that fact! Everyday brings us closer to that blessed event! Do you know what it means to be **desensitized**? To be **desensitized** is to make insensitive or nonreactive to a sensitizing agent. In other words it's not to react to something we ought to be reacting to! It also means to extinguish an emotional response to stimuli that formerly induced it. Ask yourself this; was there a time when I thought more about the return of Jesus than I do now? If so, then it's time for you to be **sensitized and stimulated** to this great truth once again.

1Thessalonians 4:16-18 says, **For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.** We are commanded to comfort one another continually with this truth, **Jesus is coming back!** ARE YOU READY! In Acts chapter 1 we have this record of Jesus as HE ascended into Heaven,

Acts 1:9-10 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight. And while they looked steadfastly toward heaven as he went up, behold, two men stood by them in white apparel; Which also said, Ye men of Galilee, why stand ye gazing up into heaven? **this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.** This should provoke a response in our hearts! Are you ready for HIS return? Is your family ready for HIS return? Am I living for GOD or living for self? Do I care about the condition of my soul? Do I care about the condition of the souls around me? Listen to the parable of the persistent widow found in Luke 18:1-8, And he spake a parable unto them *to this end*, that men ought always to pray, and not to faint; Saying, There was in a city a judge, which feared not God, neither regarded man: And there was a widow in that city; and she came unto him, saying, Avenge me of mine adversary. And he would not for a while: but afterward he said within himself, Though I fear not God, nor regard man; Yet because this widow troubleth me, I will avenge her, lest by her continual coming she weary me. And the Lord said, Hear what the unjust judge saith. And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them? I tell you that he will avenge them speedily. **Nevertheless when the Son of man cometh, shall he find faith on the earth?** When Jesus comes is HE going to find FAITH at work in us? Faith is an ACT based upon a belief. Let me quote that again and may we never forget it, **Faith is an ACT based upon a belief.** When He comes will HE find us praying and seeking HIS LIFE, that others might know HIM; or will HE find us in a **desensitized nonreactive** state.

KJIR "The Cross" broadcasts this message 24 hours a day, seven days a week through song and word in the hope that those who hear it will be **sensitized and stimulated** to seek GOD now. Your continued financial support makes this possible. **THANK YOU.**

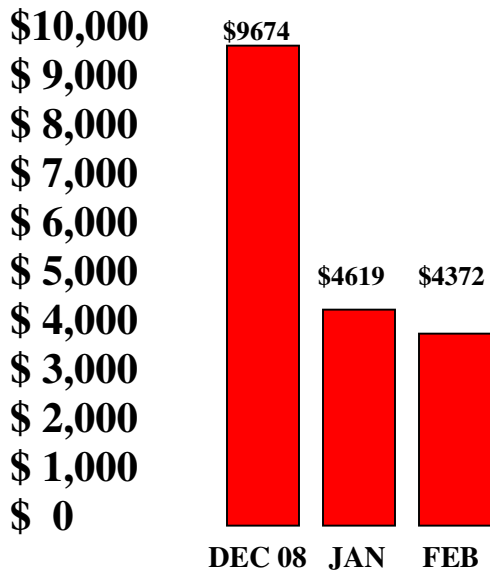

Romans 13:11-14 And that, knowing the time, that now *it is* high time to awake out of sleep: for now *is* our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armor of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to *fulfill* the lusts *thereof*.

GOD BLESS YOU Michael Wortman

All Nature Tells Us Nothing Ever Dies

Nothing really ever dies
That is not born anew-
The miracles of nature
All tell us this is true...
The flowers sleeping peacefully
Beneath the winter's snow
Awaken from their icy grave
When spring winds start to blow
And little brooks and singing streams
Icebound beneath the snow,
Begin to babble merrily
Beneath the sun's warm glow...
And all around on every side
New life and joy appear
To tell us nothing ever dies
And we should have no fear,
For death is just a detour
Along life's wending way
That leads God's chosen children
To a bright and glorious day.
