# MAY 2008

This is the day that the Lord has made, let us rejoice and be glad in it. KJIR Radio has just celebrated their 8<sup>th</sup> Anniversary, at the end of April. The Lord has kept us on the air and we thank all of you that prayed for us and supported monthly with your gifts. Last month we had some extra expenses, because the tube in the radio transmitter wore out. When we run 24 hours a day ~ 7 days a week the equipment is working overtime and things just wear down and break. The tube cost \$1,800 and that is for a remanufactured one with warranty. Please pray about giving extra this month to help offset this extra bill.

As we look around at the world events and our own national happenings, we see the signs of the times. **II Timothy 1:7** says: for God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. With all that is going on, the housing markets collapse, fuel at an all time high, a minor earth quake in Illinois and food prices going through the roof. This all brings fear to the heart if you don't know Christ. Jesus said that men's hearts would fail them because of fear. All this tells us, is that the rapture of the Church is about to take place. The devil is making his last run for the throne so he can declare himself God. He will use everything for his advantage. This world is headed for a one world government, one world economy and one world church. This push is to bring it all down to a point so the man of sin can be revealed, the anti-christ. Fear comes because of the unknown. The unbeliever can only see the temporal but you and I as Christians, see the *eternal*. God's people have not been given the spirit of fear but the Spirit of power, the Spirit of love and the Spirit of a sound mind. The word power is (dunamis) in the Greek and it means God's Ability – God's ability in the believer. The word love is (agape) in the Greek – and it means God's Love. God's love in the believer and the words sound mind translates out as, discipline – self-control, the believer is disciplined and has self-control. They won't cut and run. They know God has everything under His control. The Word of God has warned us that the world around us is going to crumble, but they that are looking through the eyes of faith are seeing the eternal and that world is not crumbling at all. As we read **Psalm 91: 1-10**: 1 He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. 2 I will say of the LORD, He is my refuge and my fortress: my God; in Him will I trust. 3 Surely He shall deliver thee from the snare of the fowler, and from the noisome pestilence. 4 He shall cover thee with His feathers, and under His wings shalt thou trust; His truth shall be thy shield and buckler. 5 Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; 6 Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. 7 A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee. 8 Only with thine eyes shalt thou behold and see the reward of the wicked. 9 Because thou hast made the LORD, which is my refuge, even the most High, thy habitation; 10 There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

We see God has given them that trust in Him this 91<sup>st</sup> Psalm as an iron clad promise. Believe the promise of God is for you and your family. Don't let the spirit of fear come on you. You have been given power, love and a sound mind.

May the Lord keep you and your family in this troubled time and we will continually lift you up in prayer.

In Christ,  
Pastor Ken Geisendorfer

# Mother's Day

It's Mother's Day today,  
So let us reminisce.  
Remember how Mother  
Made it better with a kiss?  
Remember how she held you close  
So that you wouldn't cry  
And how she eased your every  
pain  
With a gentle lullaby?  
Remember how she did without  
To buy you something new;  
Never thinking of herself  
Her only thoughts of you?  
Remember all the treats she  
baked,  
And you would wonder why  
She was never hungry when  
There was just one piece of pie?  
And how she sat up all night  
long  
When you were feeling bad  
And how you thought it funny  
When a movie made her sad?  
And don't you often wonder  
How she worked the livelong day  
And still had time to be with  
you  
When you wanted her to play?  
Remember how she helped you plan

And never, ever slept a wink  
For fear you might be late?  
Remember how she cried the day  
That you walked down the aisle  
And how she wished you both the  
best  
With a loving kiss and smile?  
And when we had babies of our  
own  
And the pain so hard to bear,  
Mother cried and held our  
hands;  
The pain was hers to share.  
Mom, time may have dimmed your  
eyes  
And turned your hair to gray,  
But I need you just as much as  
ever  
And loved each and every day.  
If we don't often stop to say  
Of just how much you are a part  
Of everything we say and do  
And feel within our hearts,  
Today we want to thank you  
For your tender love and care,  
To hold your hand as you held  
ours  
And to remember you in prayer.  
God knew so well when He gave
