The King's heart is in the hand of the Lord, as the rivers of water: He turneth it whithersoever He will. **Proverbs 21:10** How many of us really believe that God is in control. When God's Word came to Nineveh by the preacher Jonah, the heart of the people and the king was moved to repentance. In sack cloth and ashes with fastings, they turned from their evil ways. God's hand of judgment was stayed from Nineveh for over 100 years. The only way to reach this generation for Christ is by fire baptized preaching of the Word of God. We don't need more counselors, programs or money – We need a move of the Holy Ghost on the hearts and lives of the people and leaders of this nation. If you are going to a church that is not preaching the Word of God under the anointing of the Holy Ghost, you must flee that place. It pleased God by the foolishness of preaching to save them that believe. **1 Corinthians 1:21b** It is not too late for this nation. If the preachers would turn back to the Word of God and get their message from the throne of God and not the *internet* or some book from their organization, God's convicting power would fall one more time. It is easy to point our finger and say they need to repent. When Daniel prayed in the book of Daniel, Chapter 9, verse 5&6 he said to God, "5) we have sinned, and have committed iniquity, and have done wickedly, and have rebelled, even by departing from thy precepts and from thy judgments: 6) neither have we hearkened unto thy servants the prophets, which spake in thy name to our kings, our princes, and our fathers, and to all the people of the land." God says in **2 Chronicles 7:14** – If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. There is a call of repentance right now by the Spirit of God across this land. If you and I would stop and turn to the Living God - Jesus Christ the risen Savior; the Bible says He will hear us. As God's Word goes forth, it will not return to Him void and will accomplish everything that He, God, sent it out to do. Oh God, forgive us of our unbelief, you can change this nation, forgive us for throwing in the towel and giving up on this nation our lost loved ones and those around us. It says in **Roman 9:28** "For He will finish the work and cut it short in righteousness: because a short work will the Lord make upon the earth." The Lord is doing a quick work on the earth today and we can put ourselves in the will of God by repenting and obeying the Word of God without hesitation.

May the Lord keep you and your family in this late hour.

**In Christ,
Pastor Ken Geisendorfer**

Mother's Day

It's Mother's Day today,
So let us reminisce.
Remember how Mother
Made it better with a kiss?

Remember how she held you close
So that you wouldn't cry
And how she eased your every pain
With a gentle lullaby?

Remember how she did without
To buy you something new;
Never thinking of herself,
Her only thoughts of you?

Remember all the treats she baked,
And you would wonder why
She was never hungry when
There was just one piece of pie?

And how she sat up all night long
When you were feeling bad
And how you thought it funny
When a movie made her sad?

And don't you often wonder
How she worked the livelong day
And still had time to be with you
When you wanted her to play?

Remember how she helped you plan
For that very special date

And never, ever slept a wink
For fear you might be late?

Remember how she cried the day
That you walked down the aisle
And how she wished you both the best
With a loving kiss and smile?

And when we had babies of our own
And the pain so hard to bear,
Mother cried and held our hands;
The pain was hers to share.

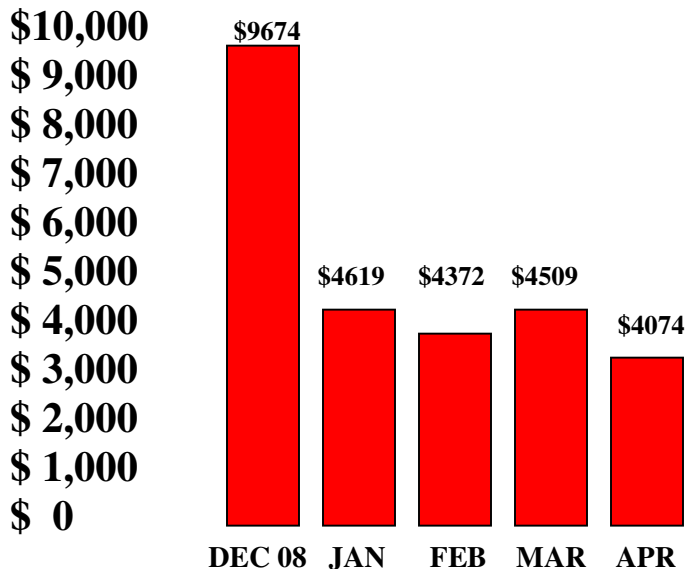

Mom, time may have dimmed your eyes
And turned your hair to gray,
But I need you just as much as ever
And loved each and every day.

If we don't often stop to say
Of just how much you are a part
Of everything we say and do
And feel within our hearts,

Today we want to thank you
For your tender love and care,
To hold your hand as you held ours
And to remember you in prayer.

God knew so well when He gave us life
That there could be no other
To mold our lives and comfort us
As our very special mother.
