## **KJIR IS....**

Hello my name is Michael Wortman and I am the Program Director for KJIR, some of you also know me as *mike @ the mic*. Here's some information about KJIR 91.7 FM. KJIR is a "not for profit", totally 100% Christian Radio station that has been on the air since April 2000. Every song you hear on KJIR carries the message that JESUS CHRIST is "The Way, The Truth, and The Life: and no man comes to the Father, but by HIM". KJIR stands for KING JESUS IS RETURNING. We exist to glorify JESUS CHRIST and we do this through Southern Gospel Music. Listening to KJIR is just like taking your vitamins; it's good for you! Our city of license is Hannibal, MO. We broadcast from a 400-foot tower located just outside Hannibal near the junction of Highways 24 & 36. Our office and studio is located at 220 North 6th Street in Quincy, IL which is

why our mailing address is PO BOX 1189, Quincy, IL 62306. We presently operate 24 hours a day, 7 days a week. You can tune your radio dial to 91.7 FM anytime day or night and listen to GOD honoring music. JESUS said, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven" (Matthew 5:16). That's what we are doing, LETTING THE LIGHT SHINE! The fact that you have received this newsletter means that you are currently supporting or have at some time supported this work of LETTING THE LIGHT SHINE. Thank You!!

We depend on the generous support of our underwriters and listeners to finance the operation at KJIR. On the backside of this newsletter you will see a giving chart for the previous month, this shows the donations we received from our listeners. Our goal is \$10,000 each month, and here's why. We have a 400- foot tower to maintain. On top of that tower sits a 50-foot antenna connected by over 400 foot of coax cable to a full power radio

connected by over 400 ft. of coax cable to a full power radio transmitter in a building at the foot of the tower. All of which requires highly trained personnel to care for and it's not free. Then there's also the electric bill. The operation of the lights on the tower and the transmitter itself require a good amount of electricity that's not free. We also have a studio and an office building, which requires maintenance and utilities as well, again not free. Then there are computers and all the equipment required at the studio to produce the content that you hear on your radio, and really that's just a very short, short description of some of the expenses required to bring KJIR to you. If you ever followed the giving chart on our newsletters, you would notice that we have never to my recollection reached our goal of \$10,000 in one month. We run a very tight

ship here at KJIR and strive to be the best stewards possible with the funds that GOD blesses us with through you. When something major goes down it takes everything we have to fix it so that's why you don't hear DJ's around the clock, we are trying to keep costs at a minimum.

Recently, during a bad thunderstorm, moisture got into our aging transmitter and knocked us off the air for almost two days while our engineer worked to get us back on. We totally give GOD all the glory for keeping us on the air these past 17 years and we thank you the listener for giving. The bottom line is it's not about putting on a show that glorifies man or a radio station, it's about when you or anybody else tunes to 91.7 FM they hear the Gospel Message Of JESUS CHRIST. When someone gives to KJIR their name goes on a list so that we can send them a newsletter. This is done for the giver's convenience should they like to continue to give, plus they receive an inspiring message to read. Our list information is confidential and not shared with anyone. If we don't receive any correspondence from a giver after a certain time we remove their name from the list. We currently mail out approximately 400 newsletters. Of those 400 we usually hear from 70-80 partners during any given month. Some give once a month, some every other month, others once or twice a year. We understand you give when you can and we appreciate it, again Thank You. As you can see the need is very real, PLEASE CONTINUE to partner with us to keep this light shining in a dark world. Now here's a word about

“underwriting”. What is underwriting? The F.C.C. authorizes not for profit stations (like KJIR) to acknowledge gifts or grants from businesses, churches, or organizations who underwrite specific programs or portions of programming. Recognition of those gifts on the air is referred to as an underwriting message. Underwriting is a not for profit radio station's answer to commercials. While different in some areas from commercial advertising, underwriting continues to be a cost effective and community-minded way to get your message out to the public. If your business, church, or organization would be interested in underwriting KJIR, please contact me; Michael Wortman 217-221-9410 or email me at [underwrite@kjir.org](mailto:underwrite@kjir.org).

Thank you for listening and supporting KJIR Radio. Prayer is always welcomed as well. We will continue to do our best in bringing you the word and song. Because, “King Jesus Is Returning”, SOON!!

### God Bless America

#### “AMERICA THE BEAUTIFUL”

May it always stay that way –  
But to keep “OLD GLORY” flying  
There's a price that we must pay...

For everything worth having  
Demands work and sacrifice,  
And **FREEDOM** is a **GIFT** from **GOD**  
That commands the **HIGHEST PRICE...**

For all our wealth and progress  
Are as worthless as can be  
Without the **FAITH** that made us great  
And kept **OUR COUNTRY FREE...**

Nor can our nation hope to live  
Unto itself alone,  
For the problems of our neighbors  
Must today become our own...

And while it's hard to understand

The complexities of war,  
Each one of us must realize

That we are fighting for  
The principles of freedom  
And the decency of man,  
And as a Christian Nation

We're committed to God's Plan...

And as the **LAND OF LIBERTY**  
And a great God-fearing nation

We must protect our honor  
And fulfill our obligation...

So in these times of crisis  
Let us offer no resistance

In giving help to those who need  
Our strength and our assistance –

And “**THE STARS AND STRIPES FOREVER**”

Will remain a symbol of  
A rich and mighty nation  
Built on **FAITH** and **TRUTH**  
and **LOVE**.
