GIVE THE GIFT OF JESUS

Sunday December 2nd of this month marked the one year anniversary of switching on our new transmitter. Let me repeat that so that there is no confusion, we do already have our new transmitter and it has been in operation for one year now. The goal to pay for this new transmitter project is \$50,000 which covers the cost for the new solid state transmitter, a backup low power used transmitter, and the engineering cost to install and setup the operation of these units. So far in the past year we have collected from our listeners \$17,462 to go towards the \$50,000 cost of this project which means we still owe \$32,538 on the new transmitter. Many partners have gave and given multiple times towards this new endeavor to ensure the continued operation of Christian Radio KJIR. THANK YOU! As we can see it's a continued endeavor to pay for this new equipment.

Endeavor defined is: An attempt to achieve a goal, an earnest and industrious effort, especially when sustained over a period of time. It was totally necessary to replace the old transmitter that had given us 17 years of operation, but had come to a point that it was not cost effective to continue with it's operation. It needed repair work that mounted into the thousands of dollars and when completed we would have an old inefficient unit with no guarantees of it's continued operation. In the past year there has been only one problem with the new transmitter (which did not shut us down) and all that was needed was to replace a warranty part on the inside. In the past year this new transmitter has performed wonderfully, using less electricity and creating less heat with it's solid-state operation. With your continued partnership we look forward to providing good, clean, moral Christian Programming for years to come. The Christmas season we are in now is a

celebration of the gift of LIFE through JESUS CHRIST Our LORD and Savior. Christian Radio is our gift to this world. With this new transmitter anyone can tune in to 91.7FM at anytime of the day or night and hear about the Gift that GOD gave to this world on that first Christmas morning. Not only during the Christmas season but all year long we broadcast the message of JESUS CHRIST. I cannot think of a more nobler cause than to broadcast Christian music in a dark world that desperately needs it. JESUS said: **Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. (Matthew 5:16)** JESUS is that LIGHT! **Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have**

the light of life. (John 8:12) Your financial gift to KJIR whether it is for our regular daily operational needs or for this new transmitter is actually a gift to this world. You are giving the gift of JESUS when you support KJIR. We are 24 / 7 broadcasting Southern Gospel, Bluegrass Gospel, and Christian Country music. It's all about JESUS! So please continue to give the gift of JESUS to this world this Christmas Season. Don't forget **ALL OF YOUR FINANCIAL GIFTS ARE TAX DEDUCTIBLE.** To all of you that make KJIR possible **THANK YOU**, and may you have **A MERRY CHRISTMAS** and a **PROSPEROUS NEW YEAR!**
