Hello to all of our supporters, underwriters, and prayer partners out there who make KJIR Radio a constant reality. I say constant because that's our goal to create an environment that supports Christian Life by broadcasting 24 hours a day / 7 days a week a Christian message. A simple definition for constant is: Fixed; not varied; unchanged; permanent; immutable. Our Lord JESUS is like that. **Jesus Christ the same yesterday, and to day, and for ever.**

(Hebrews 13:8) We live in a world that is constantly changing and not always for the good. Unlike the world, our message remains the same, JESUS SAVES. We must be active in keeping that message available to everybody. Your involvement makes it possible. I found this definition for Southern Gospel Music. **Southern Gospel Music** is a genre of Christian music. **Its name comes from its origins in the Southeastern United States**

whose lyrics are written to express either personal or a communal faith regarding biblical teachings and Christian life, as well as to give a Christian alternative to mainstream secular music. There you have it! All the music you hear on KJIR is a Christian alternative to the mainstream secular worldview music found on regular radio stations. The music on KJIR does not convey, promote, or endorse a lifestyle contrary to the values found in THE HOLY BIBLE. WOW think about that for a moment. Just let that sink in. Every time anyone tunes in 91.7 FM in our listening area they will hear something that's good and good for them! We are not the only Christian radio station in this area but we are the only one that exclusively broadcasts Southern Gospel, Bluegrass Gospel, and Christian Country Music. Do you like Bill Gaither and the Homecoming Friends? We air The Gaither Homecoming Hour every Saturday

night at 7pm. Is Bluegrass Gospel your thing? Every Tuesday and Thursday night beginning at 8pm we feature a full hour of nothing but Bluegrass Gospel Music, and then on Sundays at 3pm it's Les Butler & Friends Bluegrass Gospel program featuring top artist music and interviews. How about faith building radio drama programs? We have that too. The Unshackled Radio Program produced by Pacific Garden Mission in Chicago, Illinois can be heard on KJIR every Tuesday and Thursday evening at 7pm with repeats Wednesdays and Fridays at midnight for our late night listeners. These are true-life stories about men and women saved and set free by the power of JESUS CHRIST. Then for our younger listeners on Saturday mornings at 9am we air Adventures In Odyssey, which is produced by Focus On The Family. Maybe you need to hear some good preaching? We have that too. On Saturday nights at 6pm you can hear Times

Square Church of New York City with Pastor Carter Conlon. This Church was founded by David Wilkerson and has a large congregation representing over one hundred nationalities. Times Square Church also repeats on Tuesdays at Midnight. On Sunday mornings tune in at 7am for KJIR Presents featuring numerous different ministers from around the country preaching the Word Of GOD. Then at 8:30am it's the Ashley Pentecostal Church with Pastor Donald Counts. Ashley Pentecostal Church is located 6 miles south of Bowling Green, MO on Highway 161 in Ashley. So whether it's music, drama, or preaching KJIR has it for you. The environment created by this world is often hostile and contrary to the Christian way of life. KJIR supports Christian life. You are supporting Christian life whenever you donate or pray for KJIR. Thank You for your love gifts. I heard a preacher say once; It's better to turn on a light than to curse the darkness. Support has been down and if you haven't given in awhile or never given please get involved and turn on the light by sending in your best donation to KJIR. JESUS said, **“These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.”**

(John 16:33)

Thank You for all your support and may GOD Bless You.

Program Director ~ KJIR Radio**

ATTENTION ALL CHRISTIANS
November 6, 2018 is the mid-term election.
Everything is on the line and we must vote to protect our Christian Rights

The devil uses these lies and others so that he can keep Godly men and women away from the polls and get the candidates of his choice elected. If we do nothing, it makes it easy for the enemy to help those who could become the wrong leadership for our nation.

- “My one vote doesn’t count anyway.”
- “I’m disillusioned by the whole political process.”
- “I’m already too busy to take the time to cast an informed vote, so I just don’t vote at all.”
- “Politics are corrupt anyway and as a Christian I don’t want to be involved.”

These are just some of the excuses that people use to justify their failure to exercise their civil responsibility to vote. Only heaven will reveal the many opportunities that we had to change things for the better in this nation, yet, we failed to do so because we failed to use our right to vote. We do not realize the privilege we have to be able to have a voice in the choice of “who shall be our leaders and what kind of laws should govern our land.” If we were to go to a country that did not afford its people this right and live under the usual dictators that rule those countries, we might be more thankful for this advantage.
