A BIG THANK YOU to all of you for SUPPORTING KJIR RADIO. Support is a BIG word and deserves **A BIG THANK YOU!** A simple definition for support is, *bear all or part of the weight of; hold up, give assistance to, especially financially; enable to function or act.* Your support enables KJIR to broadcast Christian programming 24 hours a day, everyday! Let's face it, we must act to keep our Christian way of life, and supporting Christian radio is part of that. We live in a world with dwindling Christian values. Political correctness forced on our society by the unbelieving has in some instances created a climate of compromise even within the boundaries of the Church. In the book of Jude, verse 3 we the Church are exhorted **to earnestly contend for the faith, which was once delivered unto the saints.** To contend means to struggle for, it also means we are not going to give up any territory

to the forces of darkness. **For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.** (Ephesians 6:12) This is why we have Christian Media to combat darkness and spiritual wickedness in our personal lives and in the community. Turn your radio dial to 91.7 FM anytime day or night and you will hear the Christian Message through Southern Gospel, Bluegrass Gospel, or Christian Country Music. There are also true-life stories about GOD'S deliverance Tuesdays and Thursdays at 7pm with the Unshackled radio program. Saturday night at 6pm it's the Times Square Church service program and at 7pm the Gaither Homecoming Radio Hour. Sunday mornings we feature classic hymns and two preaching programs, KJIR Presents at 7am and The Ashley Pentecostal Church program at 8:30am. We have had comments from our listeners on how much they appreciate the hymns we play on

Sunday mornings; so now we are playing hymns during the 6pm hour on Wednesdays to help prepare you for your midweek evening service. We are doing all we can to help you contend for the Faith and it's made possible through your prayers and financial assistance. Please, don't forget us through these summer months. Together we make this world a better place to live. Now let's address the issue of underwriting KJIR Radio. What is underwriting? The F.C.C. authorizes **non-commercial stations** like KJIR to acknowledge gifts or grants from businesses, churches, or organizations who want to underwrite (financially support) specific programs or portions of our programming. **Recognition of those gifts on the air is referred to as an underwriting message.** **Underwriting** is a non-commercial radio station's answer to commercials. While different in some areas from commercial advertising,

underwriting continues to be a **cost effective** and **community minded** way to get your message out to the public. Research indicates that public radio is an excellent public relations tool. **Listeners have a positive image of companies that support community radio and report their purchasing decisions are positively influenced by such support.** So what that means is, a person that appreciates Christian values (like a listener of KJIR) is more likely to use a business that supports Christian values. Just think of it, you get to advertise and support Christian

Radio at the same time. Oh, did I mention it's tax deductible too?! So all you Christian business owners, managers, church leaders, and Christian minded organization people need to give us a call at **217-221-9410** and start supporting Christian Radio by becoming an underwriter. Why wouldn't you? Please call, it's very important. **THANK YOU!**

!! ALERT !!

Yes, we are broadcasting but at low power. If you are not receiving our signal, this is why. In late July and at the time this newsletter went out, KJIR had to go to a low power transmitter while our main transmitter was being serviced. Our main transmitter was broadcasting just fine but a part had to be replaced that enables us to remotely connect to the unit. The transmitter had to be unhooked and transported to Broadcast Electronics in Quincy to have this done. Hopefully, by the time you are reading this, it's fixed, installed and broadcasting. If not, we apologize for the inconvenience and ask that you agree with us in prayer that this issue would be resolved ASAP. **Thank You**

... Wise words from the author...

You can step out of His will and miss His blessings, but God will go on and bring about His end. God may have great blessings for you, a high calling for you, great possibilities for you, but be careful lest you forfeit and throw them away by refusing to walk in His highest will. Remember that you have within your heart something that came to you from God and is like God – the power to choose, the power to refuse, the throne of your will.
