Hello to all the faithful listeners and supporters of KJIR Radio. KJIR exists because of our faithful GOD and HIS faithful people. Without your faithful financial support 91.7FM The Cross would go silent. That's just the plain honest truth. Often times in life we take things for granted. We assume that whenever we turn the faucet on the water will flow, or when we flip the light switch there will be light. But for those things to happen somebody has to pay the bill. Growing up as children we never gave it much thought. The water always flowed, the lights always lit, there was food in the fridge, and clothes on our backs. All of that was paid for by someone else, Mom and Dad. Not all of us grew up in a two-parent household which meant one parent had the task of paying for it all. I grew up in one such household. My mother raised four children on her own, and at one point worked three jobs to pay all the bills. All of us kids learned early the value of a good work ethic. We always

had everything we needed thanks to the sacrifices our mother made for us. So much of life is provided by the sacrifices of others. Take for instance the sacrifices made by all the men and women in our military that paid for the freedoms we enjoy in this great nation. Then there are the sacrifices of those in law enforcement that make our streets safe. How about the first responders who put out fires and assist in medical emergencies, sure it's their job and they do it for a wage but law enforcement, fire fighters, and emergency personnel sacrifice safety to help others. I also think about the sacrifices of all those who have given their lives to spread the GOSPEL OF JESUS CHRIST. We read in Romans chapter 10, **For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as**

**it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! (Romans 10:13-15)** In other words how beautiful, how wonderful are the sacrifices made by those who bring the WORD OF GOD to us. Then jumping down to verse 17 we read, So then faith cometh by hearing, and hearing by the word of God. That's where faith comes from, hearing the WORD OF GOD. Thank you to everyone who spreads the Gospel. This all leads us to the ultimate sacrifice, the one that our LORD JESUS CHRIST gave on Mount Calvary. Everything that we have need of was paid for by HIS SACRIFICE. Forgiveness, Salvation, Healing, Provision all paid for by someone else. JESUS paid that price because we couldn't pay it. **But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was**

**upon him; and with his stripes we are healed.  
(Isaiah 53:5)**

Every song, every message on KJIR Radio has the influence of The Gospel. Our sole purpose is to broadcast the Message of JESUS CHRIST through song and word, to edify and be a blessing to the Body of Christ. Each month we send out hundreds of these newsletters to listeners who have given in the past with the hope that we will receive back a gift in the self-addressed envelope provided so that you can partner with us. We try to make it as easy as possible to give. Our goal is \$10,000 a month to pay for building maintenance, tower maintenance, computer maintenance, technology upgrades, expansion, add new employees, salaries, legal fees, etc, etc., and the list goes on. In the past 12 months we average approximately 49 gifts a month, with an average amount of \$2,829.30 received each month. That's the average, some months are more, and some months are less. I have never gone into this much detail before on what we receive, but I feel obligated to share this so that everyone will be aware of the need we have. Like I mentioned before, sometimes we take things for granted and expect that those things will always be there. If we aren't paying the bill, you can be sure somebody else is. With the exception of our transmitter which was replaced in December 2017 with your financial help, we are still using the same technology we used over 20 years ago to operate this full power radio station. We have only two employees to perform many different tasks. KJIR will need to do some upgrading of equipment in the near future and GOD will provide. Next month KJIR will celebrate its 25<sup>th</sup> anniversary of being on the air and we thank GOD for all of the faithful people HE has used to make this possible. AND WE THANK YOU for being obedient to give. As always remember KJIR stands for KING JESUS IS RETURNING! GOD BLESS YOU!

#### **IF I SHOULD QUIT**

*If I should quit, what would the gain be?  
Would the battle be lost?  
Would I really be free?  
No, the door would not close, nor the battle cease,  
because God would have  
Another to stand in the breach, If I quit.  
If I should quit, what would I do?  
Seek shelter from the heat, forget the cry of the lost?  
Would I be happy for a time,  
then find I was through and spend my time praying  
for something to do,  
Saying, "God, why did I quit?"  
If I should quit, I would find that God had not;  
the battle would still rage, the  
Church would march on.  
The wind would keep blowing,  
the Spirit infilling,  
Only I would be farther and farther behind,  
unwilling, wondering,  
"God, why Did I quit?"  
If I should quit, what could I say to God who called  
me,  
and the people who Sent me  
and the pagan who trusted me to show him the way?  
And the Spirit's urging day after day?  
God I can't quit!  
If I should quit, let it be when I am dead,  
not while I'm alive,  
nor when I'm dissatisfied,  
nor when I'm criticized or minimized,  
or ostracized, but please God,  
let quitting time for me be when I am dead!*
