November 2011

Sharathon 2011 is in the books and all of us at KJIR want to thank all of you that helped make it a success. To the men and women that answered the phones, our guest pastors that were on the radio with us and to all of the callers that called in to make a pledge, thank you and may the Lord bless and keep you. Statistics tell us that 95% of the people that listen to Christian radio all across the country never get involved in supporting the radio station that they listen to. If you are receiving this newsletter, that means you or someone in your family has supported this radio station, KJIR 91.7 FM, in the last three years. That puts you in the 5% that have decided to be a part of this ministry of music and Word being broadcast in the tri-state area. We know that many of you didn't call in a pledge but you stand with us monthly or even yearly and we DO NOT take you for granted. Thank you for taking advantage of the God given opportunity. I would like to take a few moments

and write about the God given opportunities in our lives. Several years ago I was speaking to a friend about the will of God in a person's life. He made this statement that I will never forget. He told me that when he stands before the Lord on that day, he will be more fearful about being judged on what he did not do that on what he had done. The will of God for a persons life is not a big complicated thing. We have one day at a time. We can only be in one place at a time and we have only one life to live. I believe that the God given opportunity is the will of God for our lives. Now, the need here is to know if it is a God given or man driven opportunity. Let's say you have a family, husband, wife and children. Now, the God given opportunity is to raise those children in the fear and admonition of the Lord. Those children will grow up to be men and women that can make a difference in this world. Husband; love your wife and wife,

Pastor Kenny cont...

do the same to the husband. This is all God given opportunity in a life. There comes a time when that opportunity is gone, the children grow up and move out of the house. The days to teach that child the ways of God are gone. Sometimes the husband or wife passes away and the opportunity to love that person is gone. We can step back and look at our lives and see the entire God given opportunities of each day and know that today the door is open but tomorrow it may be closed. I believe the Lord wants to work in our lives in such a way that we know what is God given or man driven so we can without hesitation walk through all the open doors that God has given us. It takes faith in the finished work of Christ to walk this Christian life out. Each day is a new day and we need to ask the Lord to lead us into all of His will for our lives and know that God given opportunity is the will of God. Don't hesitate to do His will today. Please prayerfully consider if supporting KJIR is not a God given opportunity. Thank you to all that have supported in the last year and to help keep us on the air.

We love you.

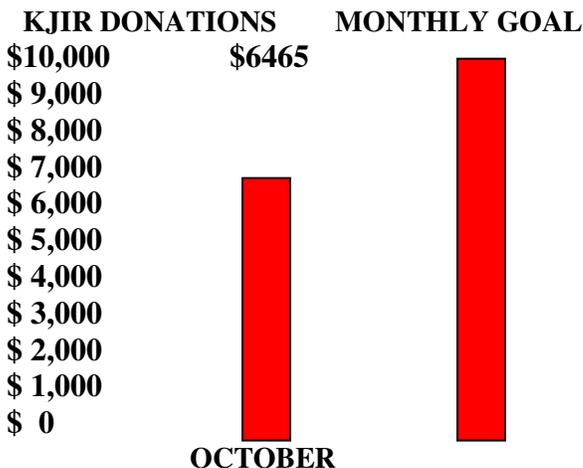

In Christ,

**Pastor Ken

Thanksgiving Prayer

*Let us come before His presence
With Thanksgiving on this day.
With hearts filled with gladness
Let us bow our heads and pray;
"Gracious Father, Who art in Heaven
Another year has passed along
Since we gathered round this table
With Thanksgiving prayer and song.
Another year of gracious blessing
Thou hast on us bestowed—
Tho our hearts were sometimes heavy,
Thou hast helped us bear the load,
The sun's bright rays have warmed the earth,
The cooling winds have swept its brow;
Gentle rains have quenched the thirst
Of earth and grass, plant and bough –
The harvest has indeed been plenty
And we thank Thee for Thy grace.
We pray that Thy great goodness
May be known in every place.
That men in foreign nations
To Thy wisdom may be led.
So that soul as well as body
May have its hunger fed.
May Thy Presence be over ruling
In the midst of care and strife,
So that men will seek to save –
And not – destroy life.
These blessings we ask Oh, Father,
With humble thanks for all that's been.
Grant us another Thanksgiving if it be Thy will."
Amen and Amen*
